

Resurrection Feast 2023

“That I may know Him and the power of His Resurrection” (Philippians 3)

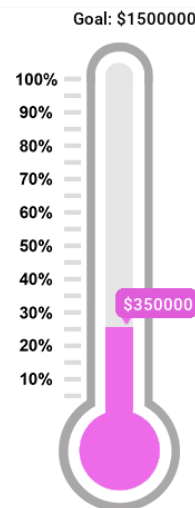

Dear Congregation,

Christ is risen Truly He is risen.

May Our Lord Jesus Christ grant you the full joy of His Holy Resurrection and make us all live the life of true resurrection.

St. George & St. Paul the Anchorite Monastery (SGSPM), wishes you all a blessed and joyous feast full of peace. With your prayers and support, we reached a historical stage in the Monastery’s inception, SGSPM is now in the process of starting the following infrastructure services,

- Applying for the building permit.
- Extending the utility lines (electricity, gas, and water) to the project site.
- Tendering for the site grading, roads, and parking lot.
- Negotiating the purchasing of one mobile home to be used as a temporary visitors’ center.

The monastery will provide numerous services to the community including a spiritual environment, community programs, conferences, and short-term stays for guests.

Your support and donation are greatly appreciated in this critical stage of the project.

To donate, receive further information on the project, and stay involved, please click [Monastery Contact](#) to subscribe (**found at the bottom of the page**). Only those who register will be contacted with further information and updates regarding the project!

The monastic way of life has deep roots within our Coptic faith.

God bless.
